STARTING IN APRIL 2022 NEW POLICIES

Cancellation Policy: (There are No MAKE UP LESSONS)

If a student wishes to cancel a lesson, they must notify the instructor by 11 pm the night before or you will be charged your full lesson rate unless it's an emergency. Please make sure to either Email: mcneilvoicestudio@gmail.com or text 617-529-9235. If you're not feeling well it's always best to cancel. While there are no make ups, there might be an available spot open to reschedule. Tardy Arrival: Students arriving late will not have their lesson time extended.

Payments:

Payments can be taken directly after each lesson or invoiced monthly. Monthly invoices go out the last full week of the month. All invoices are due by the last day of the month.

- [PayPal.me/mariamcneil606](https://www.paypal.com/mcneilvoicestudio)
- [Venmo.com/mcneilvoicestudio](https://venmo.com/mcneilvoicestudio)
- Apple Pay
- Checks - made out to MVS

Late Fee:

MVS has a late payment fee policy of \$15 per student. Students have 1 week to pay their monthly invoices (which will be sent out the last week of the month) **the fee will automatically be applied if a late invoice needs to be sent out, no exceptions.**

Collection Fees and Interest Charges: All checks returned because of insufficient funds, the account was closed, or for any other reason may be subject to the following fees and interest charges: Returned checks in the amount of \$200.00 or less will be subject to a \$25.00 insufficient funds fee.

Keeping Your Lesson Time:

Your payment reserves you a weekly or bi-weekly time slot within the studio. Because space is limited and there are no make-up lesson, this time is valuable. The time of your lesson has been reserved and is unavailable to any other student. The teacher is also committed to instruct at that time. If a student cancels 4 lessons in a row, the student will be charged 2 lessons to keep their preferred time and stay enrolled in the studio. This does not apply to monthly students.

2022 NEW POLICIES

Student Drop-off & Child Safety:

When bringing your child to music lessons, make sure your child makes it to their lesson and the teacher is present. Do not drop your child off in the parking lot or leave them unattended. MVS is not responsible for unattended children. Please do not drop off students more than 10 minutes prior to lesson time and pick them up promptly. The instructor does not supervise children waiting in the reception area before and/or after classes/lessons.

Inclement Weather Policy:

To ensure proper operations and education at McNeil Voice Studio, all lessons will be moved from in person to virtual via Zoom or FaceTime. If weather prevents you from attending class virtually, we will reschedule. Snow cancellations will be listed on McNeil Voice Studio Facebook page and IG stories. Please make sure you follow McNeil Voice Studio on Facebook and/or Instagram.

Materials:

Students must bring a folder or binder for handouts and sheet music. Voice students are required to bring water and a notebook for lesson notes. Students may use a mobile device to take notes and record their lessons.

Studio Communication:

There are many great ways to stay informed regarding studio news and events!

Website: Visit mcneilvoicestudio.com to learn more about maria and her other projects.

Facebook Page: Students and parents are welcome to follow me on my facebook page. "Liking" this page allows students and guardians to stay up to date on studio events and weather related closures.

Monthly MVS Newsletter: Please watch for the monthly newsletter and other occasional emails, which will arrive in your email inbox. The newsletter will feature practice tips, recognize student achievements, and announce the dates of studio events.

Studio Events: MVS has many opportunities for performing throughout the year. Along with a group winter and spring recital, I like to encourage my students to perform at other local events.

Withdrawal Policy:

There is no long-term contract. To discontinue lessons please notify MVS in writing at least 2 weeks prior to your last lesson.

Release Policy:

Any photographs, audio or videos of students or families on MVS facilities and/or events may be used in promotional publications, the MVS website or press releases. There will be no compensation for the release. Please notify the instructor if there is a special circumstance where the student should not be photographed.

Working with other teachers:

You should be careful of teachers that say they "know it all". In my studio I encourage working with other instructors who specialize in a certain style or technique. When studying with me, I can help you build this team of teachers and coaches. It is very normal for students to be working with more than one teacher and coach. As long as there is good communication between the student and primary teacher, working with multiple teachers can be very rewarding for all parties.

The MVS VIBE & Promise:

The MVS VIBE is the idea that when you enter my studio you will be in the presence of positive energy. By becoming an MVS student you also agree to take part in this positivity. I do not partake in teacher bashing nor do I criticize my fellow colleagues. If students come to me with a negative experience, my job is to focus on building a new positive relationship. No musician or teacher is alike and we all have a unique musical journey. The best artists and teachers come from an atmosphere that is free of putting others down. Let us all create an environment that is rich for learning and being the best we can be as artists, musicians and human beings.
